

**Articulation Agreement Between  
The Department of Consumer and Family Sciences,  
Western Kentucky University  
and Secondary Schools in Kentucky**

The Department of Consumer and Family Sciences at Western Kentucky University agrees to accept the following courses completed by students enrolled in the Human Services Cluster Career major in place of CFA 191, Child Development?"

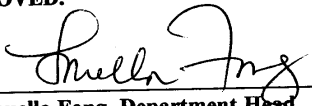

Child/Human Development

Child Development Services I

Child Development Services II or Parenting

Students must have completed the sequence of three courses with at least a grade of "B" in addition to passing the Skills Standards Exam for Child Development given at the state level with a score of 70 (seventy). Instructors of the sequence of three courses completed at the secondary level must hold a Master's degree. Finally, students requesting the substitution of these courses and examination for CFS 191 must pay the standard posting fee for a three-hour course to the Registrar at
